三、短文

A (2019, 朗读短文)

Hi, everyone. Here we're in front of the South Gate. Go straight on, you'll find the Panda House. Pandas like to eat bamboo and lie down all day long. Walk along the road. To the north of the Panda House, you'll find the lion. Lions are the kings of the animal world.

Turn left, you'll find the World of Birds. Birds make beautiful sounds. To the north of the World of Birds is the Monkeys' Forest. Monkeys are clever and funny. Then turn right, and cross the bridge, you'll see the elephants. Their large ears are like open fans. Here you can see all kinds of animals. Have a nice trip.

B (2019, 话题简述)

The Summer Palace is a Chinese garden and mainly includes a hill and a lake. The lake is very big — it takes up three quarters of the area. We can row a boat there, and it is really nice. Across the lake is a 17-hole bridge. There are many stone lions on either side of it. The lions are different from each other. I think the Summer Palace is well worth visiting.
